

Call for Nominations

On Thursday, April 30, 2020, the Ontario Association of Osteopathic Manual Practitioners (OAO) will hold its Annual General Meeting. At that meeting, elections will be held, and the President will announce to the membership the Directors that have been elected or acclaimed to the Board.

All these positions are for a two-year term. To facilitate the preparation of the slate and to ensure that the process is open to all voting members to nominate any Active or Inactive Members, the President is now issuing a Call for Nominations. If you are nominating more than one member, please submit a separate form for each nominee.

This is an opportunity for Active and Inactive Members to join the Board of Directors and to make a contribution to your professional association, to be challenged, and to develop and share your professional knowledge and expertise.

Before submitting a nomination, you should speak with the members you are nominating to ensure he/she accepts the nomination.

The President will review all nominations that are received by **Friday, April 24, 2020** and prepare a slate for presentation to the members.

If you have any questions, please contact Catherine Cabral-Marotta at president@osteopathyontario.org.

Please submit the completed Nomination Form such that it is received by fax or email, no later than Friday, April 24, 2020 at 5 pm ET to:
